WEEK 1 • NO 10 • 17TH NOVEMBER 2025

## Year 11 Mocks

Well done for the way you have approached your mock examinations so far. As we mentioned in yesterday's briefing, the first week has gone extremely smoothly, and that is down to the calm, sensible and mature way you have conducted yourselves.

You have been preparing well outside the exam rooms, entering calmly, and showing real focus once you are inside. The effort you are putting into your revision is clear, and it is really encouraging to see.

Your positive attitude and your determination to do well are excellent signs for the months ahead. They show how hard you have been working in lessons and how much you want to succeed.

Please continue making the most of the support available, including study support and preparation sessions, and keep acting on the guidance you are given in lessons. All of this is helping you make real progress.

Good luck for the remainder of your mock exams next week. You are doing brilliantly, keep it up!

*Mr Anderson*

## Remembrance

Well done to everyone for the way you conducted yourselves on Tuesday when we marked our Remembrance event. You assembled quickly, moved quietly and showed the maturity and respect that such an important occasion deserves.

Your attitudes and approach helped create the right atmosphere for the whole school to reflect together, and you should be proud of the way you represented yourselves and Saddleworth School.

A special well done to Freya Garlick for her superb playing of the Last Post.

## Active Travel

As part of our school's commitment to promoting Active Travel, our Youth Travel Ambassadors handed out leaflets for our 'Park and Stride' scheme - encouraging more students to walk to school and helping reduce traffic around the school drive!

A massive thank you to our YTA for their hard work this morning.

*Mr Saxon and Mrs Reece*

*Active Travel Co-ordinators*

## College Application Support Sessions

Oldham Sixth Form and Ashton Sixth Form are coming in to school to do lunch application support sessions. Oldham will be in on **Monday 17th** and Ashton on **Thursday 20th** and it'll be up in the careers area on Friarmere 2.

*Mr Leach*

**ACTIVE TRAVEL = HEALTHIER, SAFER, CLEANER!**

New Access Arrangements from  
**Monday 17 November**

Vehicle access restricted at  
peak times to keep the  
school entrance safe for all.

This week, to celebrate Anti-Bullying week, the students at school have had assemblies regarding kindness, empathy and the importance it plays in community. Next week we have the Oldham Mental Health Support Team coming in to deliver Assemblies on the impact of bullying

as well as form sessions relating to our assembly themes, all in the name of ensuring that we spread kindness and demonstrate the power for good kindness can have.

*Mr Carey*

## Secret Teacher

Last week the secret teacher was **MR FEARON** and he has nominated the following pupils:

**Leila Burnett, Oliver Holland, Sadies Southwood** - All being proactive with revision. Asking for past papers. Asking showing ambition to do well in future exams.

**Porsche Southwood** - Came to me to hand in a students Uniform card that she had found. She saw that students had my lesson. Showed a great sense of community.

**Albie Dickinson** - Striving for excellence in every task that he does in Maths.

## Year 11 Basketball Team

Congratulations to the year 11 basketball team who came 2nd in the Oldham Schools basketball tournament in which 9 schools competed. A fantastic achievement! Well done.

*Mr Hemmings*

## Year 7 Football Team

Some of our years 7s took part in an in-house practice match on Tuesday to give some extra pupils a chance to represent the school. Some quality footy on show. Reds coming out on top in a 3-1 win. Well done boys!

*Mr Cooney*

## Into the Next Round

A brilliant comeback from the year 10s boys secured their progression through to the 4th round of the English Schools cup. E.Carroll scored in the first half with scores level at 1-1. Trailing 2-1 with 5 minutes to go, a late equaliser from skipper L.Jablonski and a poachers winner from T.Bottom led to wild celebrations. Well done to the boys, a really hard fought victory and a proper team effort. #teamsaddleworth.

## Shine Awards Celebrate Oldham's Inspirational Young People

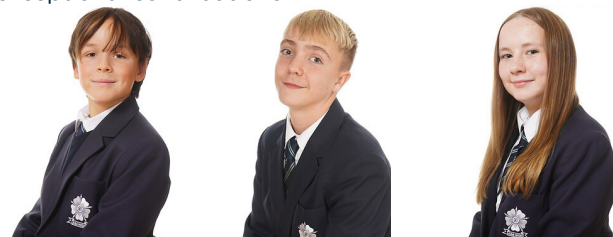

Last week, MAHDLO Youth Zone hosted the Shine Awards, recognising some of Oldham's most outstanding young achievers. A huge congratulations to Emme Worthington, winner of the Youth Voice Award! This award honours young people who make a real difference by speaking up and representing the voices of others.

Fantastic achievement, Emme well done!

*Mrs Hargreaves*

During a recent round of interviews, Noah, Bobby and Orla were part of our student panel. In all of my time in teaching, I've never seen students as insightful, thoughtful and challenging as these 3. They added questions to their answers and asked pressing questions to really challenge our candidates. A huge well done and thank you for your exceptional contributions!

**Noah Hicks 8L, Bobby Talbot 9D, Orla Mitchell 9A**

Daisie has made a fantastic start to Year 7 and has taken all the challenges this brings in her stride. She was appointed form representative and recently went above and beyond when designing and making her forms collection box for the ongoing food bank appeal. Well done Daisie!

**Daisie Roylance - Year 7**

Phoebe is consistently an exceptional student. She always tries her best and her Attitude to Learning is consistently excellent. She is resilient, hard-working and always approaches any challenge with a smile. A pillar of our school community!

**Phoebe Pickles - Year 8**

A HUGE thank you to Freya, who performed The Last Post beautifully during our school Remembrance service. Playing to an audience of over 1,400 students is no small task, yet Freya carried out this important role with exceptional confidence, skill, and composure.

Her performance added great meaning to the occasion, and we are incredibly proud of her contribution to this significant event.

**Freya Garlick - Year 9**

Ollie has achieved an incredible milestone by earning a scholarship with Sale Sharks Rugby Union Club, adding to his earlier success this year when he secured a scholarship with Huddersfield Giants Rugby League Club.

His dedication, hard work and outstanding talent has truly paid off, and these achievements highlight his commitment and skill across both codes of rugby.

**Ollie Thornton - Year 10**
