**Congratulations to our**

## Active Travel Ambassadors

A massive well done to our Active Travel Ambassadors who presented to a team of judges and colleagues from the Bee Network and six other schools last Friday in Manchester and secured £250.00 towards our active travel campaign for this year. We are so proud of your achievement.

Our YTA are working on reducing the number of cars coming onto the school site and encouraging students to walk or cycle to school. You will see them out and about soon advising parents to drop off their children at a number of points near the school and for students to benefit from the fresh air, exercise and good feel factor from walking that helps students to concentrate better during lessons. There are a number of drop off points near to school that parents can use and encourage their children to walk 5, 10 or 15 minutes to school. Please help to support your child's well-being and start walking from today!

Mrs Reece, Mr Saxon and Mr Phillips  
Active Travel Group

*Our Active Travel trip was on Friday, 1st March. We travelled into Manchester by train and then tram. We arrived at the Hall where we were promoting our campaign along with six other schools. In front of three judges, we explained our plan for Active Travel this year and helping students to overcome barriers that prevent them from active travel. We were award £250.00 by the judges that will be used for rewards for students who consistently actively travel to school during our competition.*

*After our pitch, we were treated to lunch at Pizza Hut and then returned to Saddleworth.*

*We hope to use the £250.00 earned to reward students and help them to travel more actively.*

## Year 10 PCE

A reminder that Thursday 21st March is our parent/carer consultation evening for Year 10. If your parent/carers have not already booked appointments please remind them to do so as soon as possible. Also remember that you are encouraged to attend with your parent/carers on the evening so you can listen to your teachers feedback too. It's a chance for you to hear what it is your doing well and where you can improve further.

*Mr Anderson*

## School Bus Services

From **Monday 25th March** school bus services across Greater Manchester will change under the new Bee Network bus franchise. We have been informed our schedule will remain the same, however buses and tickets may be different.

Further information will be posted on our website and at <https://tfgm.com/> when more details are available.

*Mr Smith*

## Year 10 Silver Meeting

There will be a meeting on **Tuesday, 12th March** at 3pm L203 in final preparation for the training day on Saturday, 23rd March. All students need to attend.

Many thanks.

### Do you have what it takes to open your heart and home to a child?

Safehouses Fostering is a local independent fostering agency based in Denshaw. We are a small team with a real 'family' feel. We know what many of you are thinking... "I can't be a foster carer...I have my own kids! It is a fostering myth that your own children have to have flown the nest before your fostering career can begin. Many of our fostering families have their own birth children whom are very much part of the fostering journey, and in many cases play a vital role in the fostering household.

We are really proud to have been rated Outstanding by Ofsted and we offer robust support and ongoing training.

With such a drastic shortage of foster carers, both locally and nationally, we are turning to our surrounding villages to see if we can go some way in finding more fostering families who can provide safe, loving homes for children who need it. Please, if you're thinking about it, or have any questions at all, give us a call or pop in for a brew!

## Friends of Saddleworth School

We are really looking forward to our first Indoor Second-Hand market on Sunday, 24th March from 9am. Stalls are still available if you wish to have a spring clean and make some money at the same time. Please pop along on the day to support the school and enjoy our 'pop up café' serving bacon butties, cakes, cookies, tea and coffee throughout the morning in our school dining hall. All the proceeds will go towards buying those extras in school to benefit your children.

Many thanks

### PARENT INFORMATION HANDBOOKS

In order to keep parents and carers fully informed we have created a series of Parent Information Handbooks. This outlines all of our key policies and has important information and significant key dates for the year ahead.

I hope you find this a useful source of information. In addition, I recommend that you also look around our website, where you will find further information and news about our school and school community.

Please do not feel that the handbook is any substitute for our tradition of close, informal contact between home and school. Do not hesitate to contact the school, if there is any matter which is not clear to you. There is a list of useful contacts in each specific year book that would indicate who would be the best person to help you.

PARENT INFORMATION HANDBOOKS - Currently being updated

Parents/Carers please take a look at the lost property with is now located on our school website under the parent tab.

## Egg-cellent Attendance Prize

This week's prize goes to Amelia Lawrence, 9T for 100% attendance last week.

Well done to everyone included in the draw -  
**#you've got to be in it to win it!**

*Mrs Briggs*

## MFL Aim High Course

Congratulations to a group of around twenty French/German Y10 students who have completed the 'MFL Aim High Course'. Students have worked with several external agencies, including the Goethe Institute and GHHQ- The UK's intelligence agency. They have worked hard across the last 6 months to improve their cultural knowledge, as well as their language skills. On Monday, they completed the course and took part in a celebration and prize-giving event. Well done to all involved!

*Mr Ratajczyk*

# Petal Badges

The following pupils in KS3 have earned these PETALS badges over the course of this week. It's great to see such responsibility being taken for their personal development and we look forward to rewarding you with your badges and certificates in our next PETALS awards celebrations in form with your tutors.

Keep Aiming High and being an inspiration to others, whilst empowering yourselves to be excellent learners and pupils at Saddleworth School.
