A sell out event.... Indoor Second-Hand Market

A massive thank you to all our stall holders, buyers, student helpers, air cadets and Friends of Saddleworth School who did a fantastic job organising and running the event on Sunday, 24th March. A special mention to Carol Oldham, Chair of Friends of Saddleworth School who worked many long hours behind the scenes to organise the event and her husband who cooked a large amount of bacon butties on the day!

“It was a very good well run car boot. The RAF cadets were brilliant very helpful and polite. Well done to all the boys and girls”

End of Term

Well done for your hard work this half-term. I hope you all have a wonderful Easter and look forward to seeing at the start of our summer term.

Year 11 Study Support

Over half-term there is a full programme of study support for our Year 11 students in the final run up to examinations. I know that Year 11 will be using the Easter break to help them with their final preparation and revision. Make sure that you're aware of any study support sessions you've been asked to attend so you don't miss out on the additional time your teachers are putting aside to help you revise over the Easter holidays.

Remember to plan your time carefully both in terms of your revision and also taking time to have some time to rest too. You've done brilliantly so far and are nearly there, you'll then be able to relax once exams are done and enjoy a long summer holiday!

Mr Anderson

Bonjour/Guten Tag!

Y11 MFL Students - Please remember you have your GCSE Speaking exam once we return from the Easter holidays. To give yourself the best chance of success, please make sure you are learning your speaking booklet questions, attend revision on Wednesday 10th April (all students welcome) and have practiced role play and photo cards. All info is on ClassCharts.

Good luck!

Year 11 Photography GCSE went to Liverpool Royal Albert Dock on Tuesday 19th March. The weather was on our side as we enjoyed a walk around the Dock and visited The Museum of Liverpool and a Photography exhibition about climate in the Open Eye Gallery. Students gathered some excellent and professional looking images from the day of the cityscapes, the dock and architecture that will go towards their exam prep work marks.

Spring as Sprung in the Music Department

It has been a very busy and exciting time for our talented year 7 musicians – this term has been jam packed with ensemble rehearsals, instrumental / vocal lessons, plus GCSE performance exams and ABRSM / Trinity grade examinations taking place as we head towards the Easter break. It has been wonderful to see our musicians flourish at this time – lots and lots of hard work on display from students in every year group.

Global Grooves

The music department were delighted to invite Global Grooves into school to hold Carnival music works – I have wanted to host this type of performance workshop for some time, to give our talented young musicians a glimpse into different types of music making.

The workshops featured key stage 3 students from years 7, 8 and 9 engaging in Latin American percussion workshops and brass improvisation sessions, before combining the two elements to create a huge live Carnival style improvised performance. Grooves, newly composed themes and individual improvisations from every student participating made the final performances very exciting – I'm amazed how such a tight performance was brought together after such a short time of working on creating a piece of music, students having the opportunity to explore this musical genre had a challenging and exciting time and enjoyed creating music in a different way to what they are mostly used to in ensembles they perform with outside school.

To watch and listen to the final year 7 performance please click this link [GLOBAL GROOVES YEAR 7 PERFORMANCE.MOV](https://www.globalgrooves.org/)

A great big thank you to Holly Prest at Global Grooves for making this event happen, brass tutor Jack Tinker & percussion tutor Emma Marsh for inspiring our young

musicians and giving them an inspiring glimpse into other musical worlds! We hope to hold these sessions again in the future.

More information about Global Grooves and the musical work at The Vale in Mossley is available here <https://www.globalgrooves.org/> check them out and if your son / daughter is interested in something different please get in touch with them.

A Big FOSS Thank you

Many thanks to FOSS (Friends of Saddleworth School) for accepting the Year 7 Band bid for some new music from Superbrass Music UK! The Year 7 band are in the middle of preparing a roadshow to present at some of our partner primary schools in the summer term – Disney tunes galore... Twenty new pieces in total – this should keep us going for a long while! More info on this summer term project to follow soon, watch this space!

Year 7 in Hallé Heaven

Following the success of our recent Hallé Orchestra 'Adopt-a-player' showcase concert at Saddleworth School in January the Year 7 Band were invited to watch a further Hallé Orchestra performance at the stunning Bridgewater Hall in Manchester.

On this visit the orchestra performed another breathtaking programme that challenged our young musicians a little more in terms of content. The orchestra opened their programme with the image conjuring 'Four Sea Interludes' from the opera Peter Grimes by British composer Benjamin Britten in 1945. Music to describe the breaking of dawn and the crashing of stormy waves – very dramatic. The four movements 'Dawn', 'Sunday Morning', 'Moonlight' and 'Storm' all create tremendous atmosphere as they take the listener from one location to another, taking inspiration from the original opera's plot. A very dramatic and brilliantly played opening to preceding's under the direction of today's guest maestro; Estonian, Kristiina Poska.

Next up our year 7 musicians were absolutely treated to a virtuosic performance by young Cumbrian Saxophone star Jess Gillam. Jess performed the work 'Briggflatts' written by another English Saxophone supremo, John Harle. The three-movement concerto for Soprano Saxophone is based on the poem 'Briggflatts' by Basil Bunting. Steeped in all things Cumbrian the music is expansive, dramatic, reflective, demanding and thought provoking - the final movement 'RANT' is based on toe-tapping Cumbrian folk tunes. As expected, the performance was absolutely electrifying from soloist and orchestra – we were gifted front row seats for the performance, so our aspect for the performance gave us an incredible position to watch Jess Gillam's artistry at work, each and every one of us were blown away by the extremely high quality of performance given – BRAVO JESS GILLAM, you have gained a dozen new super fans!

Interval ice cream of choice... strawberry cheesecake! Verdict – 5 stars!

The second half of the concert saw the Hallé tackle the challenging 1st Symphony by Finnish composer Jean Sibelius. This was the first time our year 7 students had listened to an entire symphony in one sitting – a challenge and demanding experience for musicians so young.

"Written in 1899 Sibelius' work represented a protest against Tsar Nicholas II's recent curtailing of constitutional rights in Finland, a putatively autonomous Grand Duchy of the Russian Empire, which was becoming increasingly restive under the harsh rule of its Russian governors. "The first symphony was mainly about Sibelius getting to grips with the heritage of the late Romantic symphony. The first symphony is the energetic music of a young man. The young Sibelius was no wimp; the music contains the whole wildness and rage of the man."

Powerful and challenging listening for sure, our wonderful band thoroughly enjoyed the music and were able to appreciate the technical aspects of the music performed superbly by the Hallé Orchestra – we are so very lucky to have this world class ensemble so close to our doorstep.

It was an extra nice opportunity to catch up with music department friend Ewan Easton MBE. Ewan is the tuba player with the Hallé and is an incredibly inspiring musician who is always there to guide young musicians to succeed, develop and progress in their performing endeavours. It's always wonderful talking to Ewan, he always inspires me personally and makes our students feel ten feet tall when we visit the Bridgewater Hall. A huge thank you to Naomi Benn (Head of Hallé Connect) and Clare Webster (Education and Outreach manager) for making this special opportunity a reality. We look forward to visiting the Hallé again in the not-too-distant future! Please visit www.halle.co.uk for more information about this wonderful orchestra and the concerts they are hosting in Manchester – treat yourself, go and listen - you will not be disappointed!

Lots to look forward in the summer term – we hope all our musicians have a well-deserved break over the Easter holidays.

These pupils in KS3 have earned these PETALS badges over the course of this week.

It's great to see such responsibility being taken for their personal development and we look forward to rewarding you with your badges and certificates in our next PETALS awards celebrations in form with your tutors.

Keep Aiming High and being an inspiration to others, whilst empowering yourselves to be excellent learners and pupils at Saddleworth School.

Mr Carey

Well done to 7G (Mr. Griffiths), 8N (Mr. Wales & Mr. Stanley) and 9O (Mr. Ashton) for having the most complete set of PETALS in your form this week. Can anyone topple them next week?"

Research shows that there is a very clear relationship between excellent school attendance, academic achievement and student wellbeing. Year after year, students with the best school attendance achieve the best results. We are passionate about providing students with the best possible life chances and as such, know that they must 'attend to achieve'. We aim to ensure that learning time is not lost due to absence. This is why we are delighted to celebrate and reward our students that maintain an attendance record of 100% and who will be given a much-deserved place in the new 100% Attendance Club.
