8 January 2026

Dear Parent/Carer,

As you will be aware, our Year 11 Parent/Carer Consultation Evening is scheduled to take place today, **Thursday 8th January, between 4.00pm and 7.00pm**. This is an important opportunity for parents/carers and students to meet with subject teachers, review progress, and discuss next steps in preparation for the summer examinations.

Due to the forecast impact of Storm Goretti, including the likelihood of heavy snow and significant travel disruption later this afternoon and evening, weather warnings are currently in place.

In light of this and in order to avoid the risk of appointments being missed or travel difficulties for families and staff, we have taken the decision to move this evening's consultation to a **virtual format**.

This will ensure that all planned appointments can still go ahead safely and without disruption.

Appointments will take place via **SchoolCloud**, [SchoolCloud - Saddleworth School](#) the same platform used to book appointments. A short 'How to' guide explaining how to log in and access virtual appointments is available on the link below for your reference.

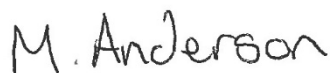

[Video: Parents - How to attend appointments over video call - SchoolCloud Parents' Meetings](#)

If you require any additional support to access your appointments, please contact us as soon as possible and we will be happy to help.

While we recognise that meeting in person is always preferable. However, given the current forecast we feel that this is a sensible and necessary precaution. We wanted to inform you as early as possible so that any necessary arrangements could be made.

Thank you for your understanding and continued support.

Yours sincerely,

Mr Anderson
Headteacher
