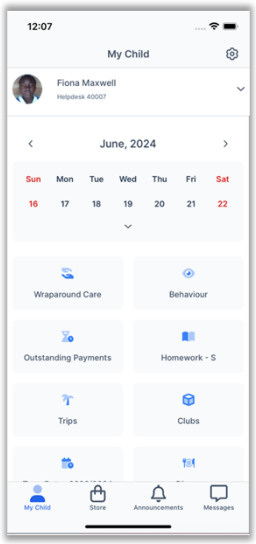
How to navigate My Child in the MCAS App

This guide shows the basics on how to Navigate the **My Child** dashboard to cover the following

The example screenshots in this guide are for **illustration purposes only** and may differ from the view in your App, **your school** will configure what you are able to see the in App.

For further guidance on the **MCAS Parent App** see here.

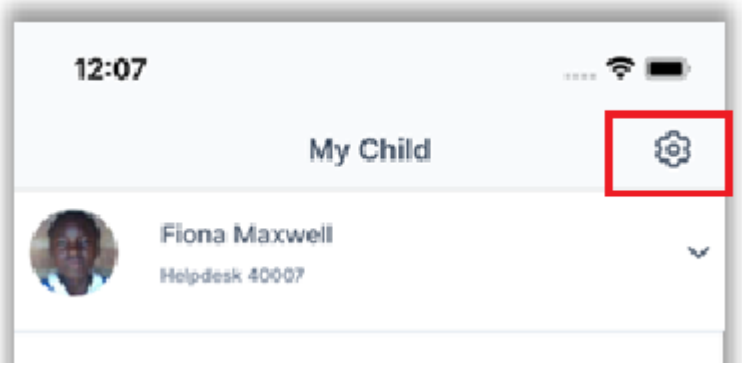
When a parent loads the **MCAS** parent app on a mobile device they will first see the **My Child** dashboard for their child.



My Child

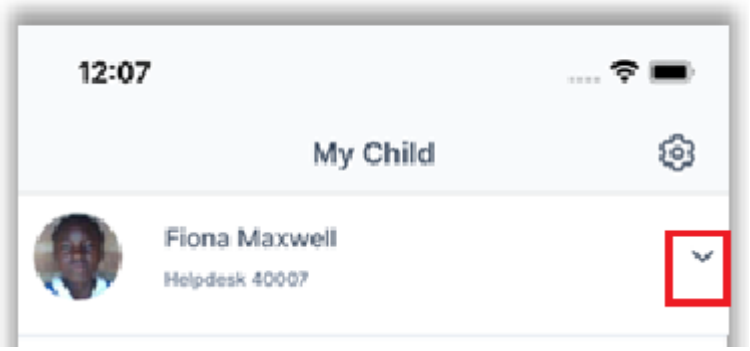
Settings

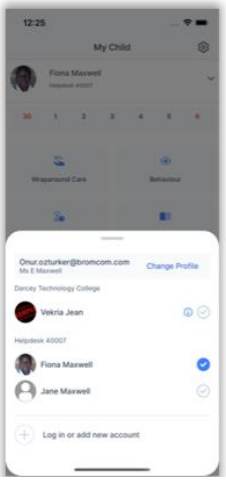
Top right **Settings** button: this covers **Account Settings, Privacy and Security, Financial Payment Methods** and **School Contact Information**



Student Choice

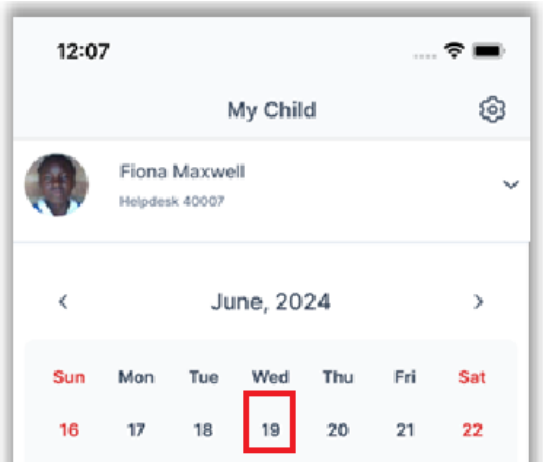
The **Student Name** dropdown allows the user to switch to another **Student** account.



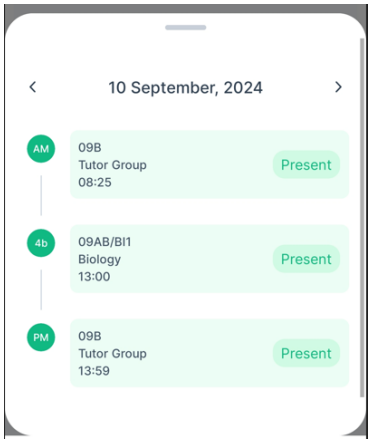


Calendar

The Calendar allows you to check the **Students Timetable** and **Attendance** on a day by day basis. Click on the **Day** you would like to see the information for in the **Calendar.**

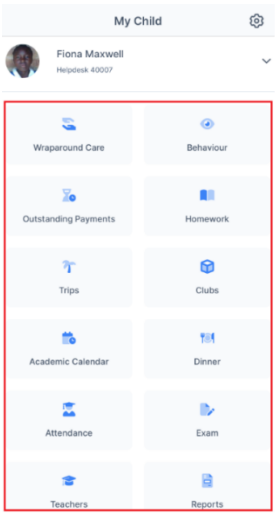


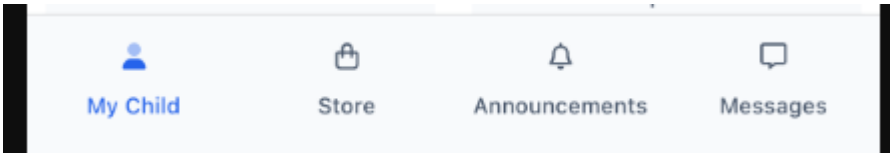
And it will then display the **Classes** they have scheduled for the selected day and their **Attendance** in each **Class.**



Modules

All modules that you are able to see information for, for example **Behaviour** or **Homework** will be listed below.



The **banner** along the bottom of the app contains the following further options;


- **My Child** – Dashboard
- **Announcements** – Displays announcements from the school.
- **Messages –** Displays messages from the school.
